skills

Proficient at working with clients to design, produce and complete projects with excellent results. Excellent as part of a team or individually.

Skilled with digital tools such as Photoshop, Illustrator, and InDesign.

Experience with a wide array of artistic materials such as pencil, ink, watercolor, charcoal, ceramics, photography, and papermaking products.

Experience as an instructor, with both children and adults.

Confident with writing and editing.

personal

Although I'm not an adrenaline junkie, I have been skydiving twice, bungee jumped off a hot air balloon, and I became a certified scuba diver in 1996.

My first business venture was in 7th grade, when I made custom haircombs for students and teachers.

I am a classically trained pianist but I have also played drums in a rock band .
